

Gift Cards Make Lots of Cents!!!!

Help Support PHS Band Program

The PHS Band Parent Association is sponsoring a gift card purchasing program to help support the PHS Band Program.

Gift cards for hundreds of local and national retailers are available through this program.

When you purchase a gift card you will receive gift cards for the full amount of your purchase. The band program will receive a percentage of the amount you purchase.

If you purchase a gift card through your favorite band student, 50% of the profit will be applied to offset that student's travel and uniform expenses!!!

Visit the band website at www.princetonjazz.org for more information and order forms.

Gift Cards can be ordered every month of the year. Orders must be received by the BPA by the second Wednesday of the month with a check made payable to the BPA. Gift cards will be available for pick up within 7-8 working
